The Honorable Richard B. Wigglesworth  
House of Representatives  
Washington 25, D. C.

Dear Dick:

I appreciated the opportunity of talking to you a few minutes the other day regarding the appropriations for the proposed new CIA building, and I want you to know how pleased we were with the final result which the Conferees reached. Thank you very much for your help.

Please assure Florence again that we believe that if we build at Langley we will not have any major impact on the neighborhood and will not interfere in any way with the school.

I hope that you both will have a very pleasant summer.

With kindest regards.

Sincerely,

SIGNED
